TEAM PROFILE

The Indian Premier League (IPL) is a professional Twenty20 cricket league in India that has become one of the most popular and lucrative cricket tournaments globally. Here's an overview:

History: The IPL was founded by the Board of Control for Cricket in India (BCCI) in 2008. It was established to blend entertainment with cricket and bring a new format to the sport. The league quickly gained immense popularity due to its fast-paced matches and international star players.

Format: The IPL features franchise-based teams representing different cities and states in India. Currently, there are eight teams in the league. Each team plays against every other team twice in a round-robin format during the league stage. The top four teams in the league standings then progress to the playoffs.

Players: The IPL attracts top cricketing talent from around the world. Players are bought and sold through an auction system, where teams bid for their preferred players. This auction system leads to exciting team compositions with a mix of international and domestic players.

Season: The IPL typically takes place annually, usually from March/April to May. Matches are held across various cities in India, with each team hosting matches in their home stadium.
